

My Super School

My school is called Kendall Primary School. At our school we strive for a bright and wonderful future. We are a Church of England school. We do all kinds of subjects like: Maths, N-maths, Science, Art and lots more. At our school we learn in a fun way. We also have after school clubs which are: Film club, Gardening club, Football club and more. If it's someone in the classes' birthday, they are more than welcome to bring in some sweets. There is a no jewellery policy at our school, and you can only wear studs in your ears. I am sure new people to the school will make friends quickly. We are a friendly school.

The PTA organise gift shops to raise money for the school. You can bring money to school to buy things from the gift shops. There are roughly about thirty people in each class. We do competitions at our school. Our homework is: TTRS, Spellings and reading. You must do 5 reads, if you don't want to have to read to the headteacher. We have book bands which are coloured, for are reading homework. I hope you read this letter about my school. PLEASE COME TO THIS SCHOOL!
