

Kendall Primary School

Hello, my name is Summer and I go to Kendall Primary School – the school that I’m going to tell you about. There are two floors. On the first floor there is EYFS, Year 2, our Rainbow Room, computing suite and a cupboard. Then, on the second floor, there is the hall Year 5, Year 4, Year 3, Year 6, the library, the office, a storage cupboard and Year 1. There are two playgrounds, the KS1 playground for EYFS and Y1 and in the KS2 playground is for Y2, Y3, Y4, Y5, Y6. We also have a woodland – a little one, a middle one and the big woodland. In the little woodland there is a bug garden and a mud kitchen and a fire circle. In the middle area is where we make loads of creations and a fire circle and a pond and in the top woodland there is another fire circle and the dragon tree. In our library it looks like a woodland. There is non-fiction books and fiction books. Our school cooks make amazing food such as pizza, jacket potatoes, mac’n’cheese, sausages, roast dinner, ham roll, fishfingers, korma, sausages and Pizza, Quorn dippers, chicken pie, and beef burgers. I hope this tells you more about Kendall Primary School.
