

338 Forest School Diary 17th July 2026

EYFS enjoyed their Forest School session in the big woodland site last week, taking part in many different activities such as climbing on the dragon tree, swinging on the rope swing and collecting various bugs. A few of the children took a few minutes to enjoy laying in the hammock to relax.

Last week, Year 2 continued to craft their necklace that they started previously, the finished results were very good and the children were really happy with them. Woodland characters were made on the woodland floor using sticks, logs and grass for the hair.

Year 3 spent their last Forest School session enjoying some of their favourite pastimes in the woods, even finding time to create beaded bracelets and bag charms.

Year 6 came enjoyed their time in the woods this week for their last Forest School session here at Kendall, and what a lovely session it was! Many different activities were on offer for the children to enjoy from high ropes to making friendship bracelets. Each of the children also branded themselves a wood slice with the Kendall logo that can be treasured as a fond reminder of their time here at the school. The Forest School team would like to wish all of the children every success for the future. You will be missed here in the forest.

Year 1, Year 4 & Year 5 did not have a Forest School session this week.
